ACADEMIC QUALIFICATIONS

Year	Degree	Institute	CGPA / Percentage
2019	MCA	Lovely Professional University, Phagwara	Pursuing
2016	BCA	Microtek College of Management and Technology	71.91%
2012	XII	Baldev Inter College	65.20%
2010	X	Kamala Bhagvat Public School	66.17%

TRAINING

Training 1:
Organization Name : Udacity
Technology Learned : Python Foundation Nanodegree
Duration **:** 3 months
Project **:** Explore US Bike Share Data with Python

Training 2:
Organization Name : MSDREAM Technologies
Technology Learned : Visual Studio 2012
Duration **:** 6 months
Project **:** Higher Study Prediction

PROJECTS

Name **:** Explore US Bike Share Data with Python
Team Size : 1
Role **:** Analyze and Visualize
Technology used: (Python) Jupyter Notebook
Description: This project in Python to explore data related to bikeshare systems for three major bikeshare systems in the United States. It performs data wrangling to unify the format of data from the three systems and write code to compute descriptive statistics. It also use a package that is not part of the standard Python library to help you visualize the data.

TECHNICAL SKILLS

- Programming Technologies **:** C/C++, Java, Python
- Web Technologies **:** HTML, CSS
- Database **:** SQL
- Area of Interest **:** Data Analytics, Data structure and algorithm

WORKSHOPS

- Attended Workshop on C and C++ at Lovely Professional University.
- Participated in 7 days workshop on Dynamic programming at LPU, 2018
- Participated in 2 days workshop on Cyber Security and Ethical Hacking organized at LPU, 2018

LANGUAGE PROFICIENCY

- Hindi
- English
